

LAKEPOINTE TOWERS NEWSLETTER - OCTOBER, 2014

In September we lost one of the original LPT co-owners, Leonard Acquavia. Our thoughts go out to Leonard's family.

Anne of Green Gables has started it's run in the Lib/Soc Rm, join your neighbors on Tuesdays.

I'am here to tell you the golfers in this building are ready for the PGA & LPGA tour and if you were at the LPT Scramble at SCS Golf Course you would have seen why. Good time was had by all and the pizza party was a success. Thanks Kathleen Stevenson, a job well done.

I have talked to a few people who were at the Oktoberfest and all said the food was great, the company was great and the party was enjoyed by all. If this was your first year, please encourage your neighbors to joint us next year. Thanks to Colleen and all the ladies who helped make the party a success.

Please join your neighbors for an outing to Pewabic Pottery and lunch at Sindbads on October 15. Look for posting across from mailboxes.

Go Blue, Go Green, go to the Lib/Soc Rm on Saturday, October 25 for the Michigan-Michigan State Game. Look for posting across from mailboxes.
