

## LAKEPOINTE TOWERS NEWSLETTER - AUGUST, 2015

Because of the “heat index” the 3rd Annual Hot Dog Party was held on the 3rd floor and a good time was had by all. Thanks to Chef Rick for cooking “delicious dogs.” It always amazes me the variety of foods that are brought and enjoyed by everyone. The winners of the drawing were the Dungans and Barb Bertschinger. There was laughter, dancing and after the clean up, the party continued at the pool. Knowing the group that was out there, I guess you could say, what happens at the pool, stays at the pool.

FYI-Building Manager, Mike Schall wants you to know the following--There have been signs installed at the two rear entrance driveways. They are green with white lettering that read, LAKEPOINTE TOWER - REAR ENTRANCE. They are double sided and can be seen from both directions of travel. Co-owners, please tell all contractors, utility workers and delivery persons to look for these signs. After entering the driveway they should look for the green awning and the brown double doors which is the rear entrance. If you are having work done or a delivery, try to meet them at the rear entrance if possible. Thank you.

Paul Hulswit wanted people to recognize the signs of a stroke, which according to the site “Symptoms & Causes - Stroke - Mayo Clinic” are as follows: Trouble speaking & understanding. Numbness of face, arm or leg. Trouble seeing in one or both eyes. Headache. Trouble walking. Typing “signs of a stroke” will bring up a variety of sites or look for Dr. Oz’s FAST acronym regarding strokes, which along with the above, urges people to recognize that time is crucial.

Paul also wanted you to know the following - As St Clair Shores residents, all of us at LPT have access to the SCS Library located at 11 Mile & Jefferson. It is well-equipped with an excellent selection of books, music CD's, movie DVD's, books on CD and reference material. With your SCS Library card you have access to 25 other libraries in Macomb County. Roseville Library, at Common Road & Gratiot, is closer than the SCS Library and has the same amenities and DVD movies are free there.

By the time you read this Newsletter, the posting for the Mystery Dinner Theater will be down. I hope you signed up, it sounds like fun.

A co-owner's donation, along with money from the Lobby renovation, paid for the art work in the hallway to C-Wing Parking.
