

## LAKEPOINTE TOWERS NEWSLETTER-MARCH, 2016

2016 Super Bowl winners were all LPT residents. The first quarter went to Liz O'Rourke, the second to Chuck Bowler, the third to June Staff and the fourth to Larry Chapp. Congratulations. Each winner received \$125.

Again we thank Larry and Mary Chapp for the Valentine's Day Party which was, as usual, filled with good food and fun times. Mary Chapp had our minds working overtime and Jane Scott regaled us with a delightful poem.

Join your neighbors in the Lib/Soc. Room on Friday, March 4 at 7p for the "Best of Johnny Carson" tapes. Postings are up.

We will be kicking off St. Patrick's celebrations on Sunday, March 13 at 5pm in the Lib/Soc. Rm. Look for postings and sign up sheet. Our own Irish Princess, Mar-Jo Conway will be serving Irish Coffee (her secret recipe).

Remember the assessment fee of one (1) month maintenance fee is due June 1 and you must pay by check as the amount **will not** be deducted from your financial institution. There are two ways to do this, pay in full as some have done already, or break it down into three monthly payments, April, May and June.

If you have documents that you want shredded, the Bulldog Records Management was recommended. The building is located at 17000 15 Mile Road in Fraser, MI and the phone number is 586-285-1937. Hours are 8-11a and 1-4p, call ahead if you want

---

## **LAKEPOINTE TOWERS NEWSLETTER-MARCH, 2016**

to watch them shred your papers. The cost is \$7.50 for a computer paper size box and it's cash only.

LPT residents have been called with **IRS scams** and Mike asked me to make everyone aware of this. There will be copies of what the scam is all about in the Library. For your own protection, do not give any personal information over the phone.

**NOISE** - All residents must exercise care to minimize noise. **YOUR UNITS ARE NOT SOUND PROOF.** Musical instruments, stereos, televisions, amplifiers, etc., must be played in a manner so as not to disturb your neighbors. When doing personal repairs or hobbies, be considerate of neighbors when pounding, 9pm should be the latest to work.

Lu Norello, Editor
